Features

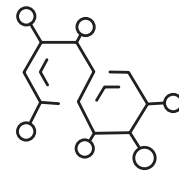

Easy-to-clean technology

Designed with Easy-to-clean (ETC) technology, cleaning the Pario will be a hassle-free experience.

Hybrid coating

The hybrid technology used in coating the Pario drastically reduces dust accumulation.

Fresh new look with every cleaning

Keep your fan spic and span with just one wipe.

Durable coating

An abrasion resistant double coat ensures the Pario's endurance even against the most rigorous cleanings processes.

Best in industry

The coating technology used for the Pario is second to none.

Anti corrosive & weathering resistant

The ETC technology protects the Pario from corrosion in any climatic condition.

Performance

Sweep	Voltage	Rated Power	Rated Air Delivery	Rated Speed
1200 mm	230 V	75 W	230 m ³ /min	340 RPM
	180 V	50 W	210 m ³ /min	310 RPM

COMPARATIVE TESTS

V-Guard ETC Technology

Attracts less dust

Hassle free cleaning

No stains

Regular Fan

Dust adheres to the surface

Troublesome cleaning

Stains remain
