IMAGINA

Created for the future, built for a smart home, here are reasons that make the Imagina a product of thoughtful engineering:

Features

iMode - A technological innovation that adjusts speed based on ambient temperature.

Control the Imagina with just a touch, using the IOS/Android app on your phone.

Imagine the seashore in your living room with the Breeze Mode.

Enjoy a million LED Lights, all of them to suit any mood you're in.

You'll never have to step out for a party. Have one at your home with the Imagina's Rhythm-Flash-Fade mode feature.

Forget the regulator. Fast or slow, make your choice on your phone with the 8 different speed settings.

Don't concern yourself with switching the Imagina off, it'll turn itself off thanks to the timer.
