The All-new V-Guard Rice Cooker

V-GUARD 

Fun-filled cooking

For over four decades V-Guard lived up to the reputation of making reliable products that were designed to work efficiently and last a lifetime. And now we are taking our next quantum leap. Harnessing the learnings, insights and experience of four decades it will be our endeavour to understand humans and their relationship with the tools and appliances that they use. And then to evolve a seamless experience with thoughtfully engineered products in our quest to enrich consumer lives.

The Electric Rice Cooker has been an integral part of the Indian kitchen. V-Guard offers a range of revolutionary new cookers that are designed to make any kitchen a more delightful place.
