

# SOLRIGO 5K 1M 1P

TECHNICAL SPECIFICATION (AS PER LEGAL METROLOGY GUIDELINES)

## OUTPUT (AC)

| Parameter                     | Solrigo 5K 1M 1P |
|-------------------------------|------------------|
| Rated Output Power (kW)       | 5kW              |
| Rated Grid Voltage (V)        | 300V – 140V      |
| Max O/P Current (Amp)         | 21.7             |
| Max Conversion Efficiency (%) | 98               |

## INPUT (DC)

| Parameter                  | Solrigo 5K 1M 1P |
|----------------------------|------------------|
| Max DC I/P Power (kW)      | 5.5kW            |
| Max DC I/P (Vdc)           | 550 Vdc          |
| Max MPPT I/P Current (Amp) | 16 Amp           |
| MPPT Tracking Voltage      | 550V - 70V       |
