#### Notes:

- The above standalone and consolidated financial results have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of Companies Act, 2013 read with relevant rules issued thereunder.
- The above standalone and consolidated unaudited financial results for the quarter and nine months ended December 31, 2020 were reviewed by the Audit Committee at the meeting held on February 03, 2021 and approved by the Board of Directors and taken on record at the meeting held on February 03, 2021.
- 3. The Company had granted stock options under the Employees Stock Option Scheme, 2013 (ESOS 2013) to eligible employees of the Company. According to the scheme, the eligible employees were to be granted stock options subject to satisfaction of prescribed vesting conditions. The Company has been accruing the cost of these options over the vesting period. During the quarter ended September 30, 2020, management evaluated that the vesting condition for few of its options linked to the achievement of a certain threshold of profit before tax will not be satisfied and accordingly, the Company reversed the cost accrued over the years/periods for such options amounting to Rs. 259.54 lakhs to the statement of profit and loss during the quarter ended September 30, 2020. The reversal of such costs to the statement of profit and loss for the nine months ended December 31, 2019 amounted to Rs. 1,012.89 lakhs as the vesting condition for few of its options linked to the achievement of a certain threshold of profit before tax were not satisfied in the previous period.
- 4. During the quarter and nine months ended December 31, 2020, the Company allotted 573,482 equity shares and 1,200,095 equity shares respectively pursuant to exercise of stock options by eligible employees under the Employees Stock Option Scheme, 2013.
- 5. Based on the "management approach" as defined in Ind-AS 108 Operating Segments, the Chief Operating Decision Maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and segment information is presented accordingly. Accordingly, the management has identified three business segments namely, Electronics, Electricals and Consumer Durables. Electronics includes Stabilizers, Digital UPS, UPS and Solar Inverters; Electricals includes PVC Insulated Cables, Switch Gears, Single Phase Pumps, Three Phase Pumps and Modular Switches; Consumer Durables includes Electric Water Heaters, Solar Water Heaters, Fans, Induction Cooktops, Mixer Grinders, Glasstop Gas Stoves, Rice Cookers, Air Coolers and Breakfast Appliances.
- 6. In view of the lockdown across the country due to the COVID-19 pandemic, the Company's operations in the quarter ended June 30, 2020 were affected. The standalone and consolidated financial results for the nine months ended December 31, 2020 were accordingly impacted by disruptions owing to COVID-19 and are therefore not comparable with those of previous periods. The Company has made a detailed assessment of its liquidity position as at the date of approval of these financial results for the next one year and of the recoverability and carrying values of its assets including Property, Plant and Equipment (including assets under construction), Intangible assets, Trade receivables, Inventory and Investments as at the reporting date and has concluded that there are no material adjustments required in the standalone and consolidated financial results. Management believes that it has taken into account all the possible impact of known events and economic forecasts based on internal and external sources of information arising from COVID-19 pandemic while making such assessment in the preparation of the standalone and consolidated financial results.
- 7. On January 15, 2021, the Company entered into a share subscription and shareholder's agreement to invest in Gegadyne Energy Labs Private Limited ("Gegadyne") for a cash consideration of Rs.3,340 lakhs in return for 18.77% equity stake on a fully diluted basis. Review Report to The Board of Directors V-Guard Industries Limited

- 1. We have reviewed the accompanying statement of unaudited standalone financial results of V-Guard Industries Limited (the "Company") for the quarter ended December 31, 2020 and year to date from April 01, 2020 to December 31, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
